Dear Joyce:—

I was so glad to get your letter
one of the children had mentioned
that you were in the hospital - but
that was all & I should have
called Pete up & got all the
details - but didn't, I'm sorry
to say &
I'm glad you're a part to go
released - and am sure you'll

be a great success in our -
selling other people x You can
speak from the heart x

Please be sure to let me know

where you move - so I can
drop you a line occasionally x
Love and I send much love
and every wish for success x

Rusty
